There are a few details about our cards that you may like to know: Dogonfunny® greeting cards utilize humorous photographs of rescued strays dressed who are really dressed in colorful and wonderfully silly outfits! We do not do breed specific cards, since we use whatever rescued animals are available to us. Our cards are not meant only for dog or pet lovers, however, because the humor is what attracts most buyers. In addition, customers like the fact that we donate to animal charities with every sale!

Thank You!
